**THREE REVERSE SORT
FEMALE EMBRYOS**

POINT P RITA 1040 X G A R GRAND SLAM

Selling three reverse sort female embryos to guarantee one pregnancy.
This will sell as one, money takes all three eggs, not bid price x 3.

Here is one of the early chances to capture the GAR Grand Slam genetics, who currently ranks as the #2 \$C non parent bull in the breed. Matched with the full sister to the \$400,000 valued DBA Rita 1034, this could be the DNA winner that tops the sorts on multiple levels! The rarity of both sides of this pedigree makes for a unique opportunity.
